

Seller's Rebate Program

At Select Realty Services LLC, we are committed to providing our clients with exceptional value and support throughout their real estate journey. Our Seller's Rebate Program is designed to reward clients who choose us for both Seller's Representation and Buyer's Representation during separate transactions. This program allows you to receive a rebate of up to \$4,000 of your Seller's Representation fee, providing significant additional savings as you navigate the buying and selling process.

Eligibility Requirements:

To qualify for the Seller's Rebate, clients must meet these three criteria:

- 1. Transaction Timing:**
The closing dates for both the sale of one property (Seller's Representation) and the purchase of a separate property (Buyer's Representation) must occur within one year of each other.
- 2. Buyer's Representation Fee:**
Select Realty Services LLC must collect a minimum Buyer's Representation Fee of 2.5% of the gross sale price of the property purchased during Buyer's Representation, with the fee being no less than \$6,000. (Minimum sale price of \$240,000)
- 3. Full Disclosure:**
All interested parties, including Buyer's Lender, must approve the rebate on the closing documents of the purchase transaction in accordance with FAC 61J2-10.028(2).
